

Parents insure that their child has registered

Sending text messages home at 9.10am

Only to those absent ✓

Parents waiting for termly post or word of mouth

Using email for news items from school

include newsletter in post for those without ICT ✓

Using technology to support home/school links

Rolling programme, ✓
students to keep diary of use
giving PDAs to Yr 7 students

X good idea but not useful for this project - see head for more funding?

providing access to ICT suite to all parents

parents rely on homework diaries + word of mouth + parents' evenings.

parents access library, parents don't use ICT
